VI. OTHER PROVISIONS 10-45763

- A. Liquidation of assets to be used to fund plan:
- B. Miscellaneous provisions:
  - 1. This is a "pot plan", in which the total of all payments in respect to unsecured creditors is a constant amount. The Trustee shall distribute this amount rateably amongst holders of allowed unsecured claims. The percentage dividend stated in this plan is an estimate based on claims currently known to the Debtor(s) and does not govern the amount of payments to general unsecured creditors. General unsecured creditors are advised that they may receive more or less than the percentage dividend stated in this plan, depending on the total of allowed unsecured claims.
  - 2. Upon the filing of the Debtors bankruptcy petition, all secured lenders shall commence all usual and customary billing and invoicing for post-petition payments. This includes, but is not necessarily limited to, sending invoices and statements directly to the debtor and allowing the debtor on-line access to their account information
  - 3. Post-petition mortgage payments paid directly by debtor to mortgagee or its servicer and must be applied & credited to debtor's account without penalty as if the account were current and no pre-petition default existed on the petition date, and in the order of priority specified in the note, security agreement and applicable non-bankruptcy law
  - 4. Secured claims with arrears being paid through the Plan shall be deemed current as of discharge unless the Court specifically approves any post-petition charges.
  - 5. Payments received from the Trustee for any pre-petition arrears shall be applied only to such pre-petition arrears.
  - 6. Secured creditors that are being paid in-full through this Plan must furnish any certificate of title to the Debtor(s) within 30 days of discharge.
